## **Questions and Answers #4 to Request for Proposals (RFP) Maryland Technical Architecture Framework (MTAF) Project No. F10R4200135**

Ladies and Gentlemen:

Received the following questions by e-mail which are answered for all offerors to the referenced RFP, below:

1. **Question:** Are subcontractors required to complete and submit Attachments B and C?

**Answer: No. In fact, subcontractors do not submit proposals—only Offerors which are submitting to be the prime contractor.**

2. **Question:** Are subcontractors exempt from MBE utilization and required reporting where offeror is itself an MBE?

**Answer: No. If the Contractor awarded the contract is also an MBE, the subcontracting goals remain a contract requirement. Reporting requirements for both the prime and the MBE sub are specified in the RFP, Attachment D.**

3. **Question:** Since this would be a fixed price contract, please explain the need for actual cost data.

**Answer: The use of the word “cost” in the RFP, Section 4.5 means the cost to the State or the Offeror’s price. Please review the instructions to Attachment F and note that the Volume II—Financial Proposal input is expressed in terms of price. No Offeror internal cost information is required for the purposes of the Volume II—Financial Proposal submission.**

4. **Question:** Are subcontractors required to provide the financial capability information required in section 4.4.10?

**Answer: No, unless your subcontractor is presented as an Offeror as defined in the RFP, Section 1.2. As you may know, the Contractor is responsible for contract performance, not the subcontractor.**

5. **Question:** Would you consider releasing an updated list of vendors?

**Answer:** List attached.

Date Issued: April 7, 2004
